ASSIGNMENT

WHEREAS, we, **Terry C. Laver, Brian Keller, Alfred B. England, and David F. Dostal** have made a certain new and useful invention for which we have applied for a Letters Patent of the United States, and such patent application may be identified in the United States Patent Office as United States Patent Application Serial No. 10/699,599 filed on October 27, 2003, and entitled:

APPARATUS AND METHOD FOR LOW-DENSITY CELLULAR WOOD PLASTIC COMPOSITES

WHEREAS, **STRANDEX CORPORATION**, a corporation organized and existing under and by virtue of the laws of the State of Wisconsin and having its principal place of business in **Madison, Wisconsin**, is desirous of acquiring the entire interest in and to said invention, said application and the Letters Patent to be obtained therefor;

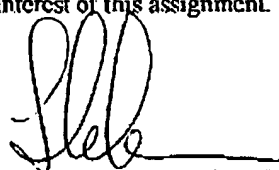

NOW, THEREFORE, for and in consideration of One Dollar and other good and valuable consideration to us has been paid, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned, and set over and by this document do hereby sell, assign, and set over unto the said **STRANDEX CORPORATION**, and said assignee's legal representative, successors and assigns, the entire right, title and interest in and to any and all patents and related applications including the aforesaid patent application as filed in the United States and any other application filed in the U.S. or in any other country which may be based in whole or in part on said inventions and discoveries, and in and to any and all Letters Patent heretofore or hereafter granted by the United States or any other country and which may be based in whole or in part on said inventions and discoveries, said assignment including the right to file and prosecute any and all such applications and also including the right to sue and recover for any and all such patent or applications and also including the right to sue and recover for any and all infringements of said patents; and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned assignee agreeably with the terms of this assignment.

We HEREBY AUTHORIZE the law firm of Boyle, Fredrickson, Newholm, Stein & Gratz, S.C. the power to insert in this instrument any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document.

UPON SAID CONSIDERATION, we do hereby covenant for each of ourselves and our heirs, legal representatives and assigns that neither of us nor any of our heirs, legal representatives or assigns have or will execute any instrument or perform any act in conflict herewith and that we and our heirs and heirs, legal representatives and assigns will at all times do such acts and execute such papers, without expense to ourselves, as may be necessary or desirable in order to fully protect said inventions and discoveries for the benefit of said assignee, its successors or assigns, and to otherwise carry into full force and effect the text and interest of this assignment.

IN WITNESS WHEREOF, each of us has signed below.
